## Springboard workshop
Report

The state government of Maharashtra has entered into an agreement with Infosys Technologies Ltd to make available 3000+ online courses to the students in Maharashtra free of cost. To encourage registration of the students from higher education stream to these courses. IQAC of the college took initiative in organization of district level workshop in association with joint Director, Panvel Region. This workshop aims at enhancing skill- set of the students as a supplement to graduation. Infosys Technologies Ltd Provides credits for certification under this project in its own recruitment process.

The district- level workshop on Infosys Springboard was organized by IQAC on 20-08-2022 in collaboration with Joint Director, Panvel. Mr. Swaroop Manerikar (Nodel Officer Infosys Springboard) was the trainer for this workshop. It was attended by 50 Participants from colleges from Thane district.

The workshop was inaugurated by Dr. S. S. Pande in- Charge Principal. A presentation on process of registration, enrolment of students was given by Mr. Manerikar. He also shared areas of courses available to the students on the Infosys Springboard platform. Around 4000 on-line courses are made available to the students under this initiative of the state government. Vote of thanks was proposed by Dr. Mandar Paranjape who is working as district Co-ordirator of this project.
