### World Population Day

### Report

The Department of Economics of Adarsh College of Arts and Commerce kulgaon Badlapur, had celebrated the World Population Day on 11th July 2023. This year, the theme of World Population Day 2023 was 'Global Population and Economical challenges'. Every year 11th July is specially celebrated as a World Population Day to remind people about the challenges being faced due to over population. The day is marked to give attention on the issues like the importance of family planning, child marriage, gender equality, human rights, Global population problem, Economical situations, rising unemployment ratio and others. On this day Economics department had conducted online Quiz competition on 'Global Population and Economical challenges'. Nearly 76 students participated in quiz Competition. Besides this department also organised Elocution competition for college students on 'Global population and Indian Economy'. In this nearly 06 students participated in their competition and shared their opinion on Global Population and Economical Challenges.
