

7.3.1 Distinctiveness of the institution.

Our institution is situated near Badlapur station, with big playground and surrounded by greenery. Being a very old, famous and responsible organization, we believe in **man making** through education. For achieving this, we organize various activities, programs, and Value added courses. The aim of our institution is to inculcate values and making them aware about deep rooted Indian Culture

- For inculcating cultural and moral values we organize various programs. Matrudin is our flagship activity, which we celebrate every year, we felicitate a person who has contributed selflessly for society. In the Academic year 2022-23 Matrudin was celebrated on 26/8/2022, in which Ms. Sumedha Chithade, founder of Soldiers Independent Rehabilitation Foundation, was felicitated with Adarsh Vasundhara Mata Puraskar. She guided that we must think beyond self and should work for Nation. Two parents (mothers) were also felicitated for their hard work in bringing up their children. We organize various interschool and intercollegiate competitions on a particular theme before this program, and winner are awarded during this program.
- A program was conducted to celebrate Guru Pournima, in association with Gayatri Parivaar to inculcate cultural values in our students, on 13/7/2022, in which Dr. Varun Manek guided about values of regularity, discipline in life through various examples.
- A special lecture was conducted by Mr. Ratnakar Thatte, who informed our students about social history and historical places in Badlapur area on 11th August 2022. The purpose of this program was to enhance pride in our local history and our patriotic feelings.
- For inculcating the values of patriotism, national integration, harmony, cooperation and brotherhood, we organize National Integration Day competition, in which students are allotted different states, students decorate their classrooms by displaying culture, folkdances, foods and other features of that particular state in a very interesting manner. Experts are invited to judge and cash awards are given to the winners. It is observed that students participate in large numbers and learn a lot about culture of various states.
- As Man Making requires good qualities of good Citizenship, we organize programs of Oath taking on Constitutional Day, Students actively participate in voters awareness campaign. Blood Donation and Thalassemia detection camps are organized regularly.
- Taking care of professional development of the students, our institution organizes Campus placements in which nearly 70 students are placed in well-known organizations during academic year 2022-23. We also organize career Counselling and Guidance programs, Smart Girl workshop, self-defense training etc. for developing various aspects of students personality in view of Man Making.
- We have conducted nine Value added courses on various skill development for professional and skill development.
